2015 Valley Fish and Game Club Bursary Program application form

The Valley Fish and Game Club 2015 bursary program is available for applicants enrolled in secondary education.

The bursary is intended to be rewarded primarily to students directly related to members of the club, such as members children or grandchildren but other applicants can and will be considered as well by the Valley Fish and Game Club bursary committee. The 2015 bursary is for a maximum of \$1000 and the Bursary committee decides if the bursary is to be rewarded to a single person or divided into several recipients. Applicants should fill in the form, write a short essay of why conservation, environment, hunting and/or fishing are important for the applicant and us all and send it to the President of the Valley Fish and Game Club (president1@valleyfishandgame.com) latest 31st July, 2015. Winners of a bursary must produce a Secondary education enrollment certificate, when collecting the bursary.

First Name Darren	Last Name Smith	Address 793 26th Street Courtenay BC

Attending (or planning to) Secondary education program (School/program) NIC heavy mechanical foundation			
Write a short essay of why conservation, environment, hunting and/or fishing are important (use more pages if you need to)			
<p>Conservation and education of the outdoors is important to me as it helps keep our ecosystem balanced and healthy for future generations to enjoy. I enjoy spending time outdoors camping, fishing and hunting. Fishing has provided me the opportunity to spend valuable time with my Dad and Grampa out on the water learning from them and enjoying the outdoors. When I have a family of my own I want to be able to enjoy these things with them and share my knowledge and stories.</p> <p>Enjoying the outdoors is a pleasure and a privilege that needs to be respected. Common sense isn't as common as it should be so the work that organizations such as the Fish and Game Club do is so important.</p>
